

# Privacy Policy Regarding Electronic Health Records

## Collingwood G & M Hospital Emergency Dept. Access

The Physician attending you at CGMH Emergency Department may ask for permission to access your office electronic health record, if you are a patient of a physician who is part of the **Georgian Bay Family Health Team**.

Access to your electronic health record may give your Emergency Physician additional information needed to treat your ailment.

The Georgian Bay Family Health Team, and its Physicians are compliant with Provincial Privacy Legislation, specifically Bill 31: The Personal Health Information Protection Act (PHIPA), protecting you and your personal information.
